Teacher iPads- When you first power the device on you will need to press the home button to start

Select English

Select United States

You will then be at the Quick Start screen – Select Setup Manually

Next select Lpps-Portal WIFI

		(as: 🖷 )
< Hack	Choose a Wi-Fi Network	
	LPPS	\$
	LPPS-Access	7
	LPPS-Apple	
	LPPS-Guest	
	LPPS-Portal	• *
	TPortal	4 <del>?</del>
	WebAuth	ę
	Choose Another Network	
	Connect to Mac or PC	
	Set up your iPad using a Mac or PC if your Wi-Fi network is not available	e.

Once WIFI is selected you will see the activation process

Once the activation is complete you will see the Remote Management Screen- Click next

You will then be at the iPad home screen- you will see 2 apps that automatically install, Google Classroom and the Microsoft Company Portal. YOU MUST LOGIN - the company portal app will automatically open to the O365 login page.

Once you login click begin-

You will be prompted with three choices-Select Lpps\_PreK\_iPad – Pre K ipads Lpps\_Student\_iPad – student iPad Lpps\_Staff\_iPad – teacher iPad

Select the type of device you are setting up - You will then get a notifications screen – select Don't Allow and then you are finished with the setup
